

Planetarium

A beautiful starry sky
Projected onto our 25.6m diameter
Planetarium dome

Come and experience an amazing,
starry sky with our precision, optical planetarium, plus high-resolution,
images and animation from our 4k digital projection system.

We offer a variety of programs for all ages
including animated shows for children,
original programs made by Expo Center,
and the live commentary shows.

Please spend a pleasant time under the seasonal starry sky.

English audio earphones are available,
upon request, for the "original program".

The earphones can be borrowed for
free at the planetarium dome entrance
and returned to the same place after use.

※The number of earphone sets is limited, and may not be available in some circumstances.
